POPE FRANCIS: LENT IS A TIME OF CONVERSION AND FREEDOM

In his message for Lent 2024, Pope Francis invites the faithful to “pause” for prayer and to assist our brothers and sisters in need, in order to change our own lives and the lives of our communities.

“When our God reveals Himself, His message is always one of freedom,” Pope Francis says in the opening of his Message to the faithful for Lent 2024.

Recalling the Exodus of the Hebrew people from Egypt, the Holy Father explains that our journey through the desert can be a season of grace – not an abstract journey, but a concrete path that involves seeing the world as it is and hearing the cries of our oppressed brothers and sisters.

THANK YOU MESSAGE FROM FR ROSHY

Good morning Parish Family, Thanks for all your prayers, cards, gifts and Love.

I have reached Kilkenny and settling in. We are 10 Capuchins in the Friary 6 are priests and 4 remain as brothers, of which 2 are from Kerala for time being, 1 polish Friar and 7 Irish. Among 6 priests only 4 are active in Ministry, 3 are taken care of by a Health Care Nurse. Otherwise, things are great. Last Monday I did my first Mass, church had about 40 in attendance of different age group of which all were Irish. We also have an evening Mass every day, where we have a mixed congregation.
